CLUBHOUSE PLANS APPROVED, CONTRACT BEING DRAWN;  
CONSTRUCTION SCHEDULED TO BEGIN WITHIN 10 DAYS

Architects' plans for remodeling of the Memorial Press Center building at 35 East 39th Street have been approved by the OPC Executive Committee, contracts are being prepared at press time and construction work is expected to commence within 10 days.

That was the welcome news this week following a meeting Wednesday in the office of Club real estate advisor William Zeckendorf between the Club's Executive Committee, Rudolf C.P. Boehler, an architect for Webb & Knapp, Inc., and other officials.

The final specifications -- which will cover all reconstruction, air conditioning, electrical installations and painting -- are incorporated in plans for which the approved contractor submitted a bid of \$95,600. The figure represents a savings of more than \$12,000 over comparable estimates received by the Club several months ago.

Final contracts were being drawn up on February 18 and were expected to be signed without delay. Mr. Boehler, who will supervise every facet of the project from beginning to end, said that laborers will actually be on the Club premises within 10 days after contracts have been reviewed and signed.

Mr. Boehler said the building should be ready for occupancy in not more than four months from the date work begins.

The Zeckendorf-sponsored plans call for full remodeling of the five-story structure, to include a reception area and bar on the first floor; large dining room and serving kitchen on the second floor; library and lounges on the third; card rooms and other entertainment areas on the fourth; and, on the fifth floor, office space for Club Headquarters and living quarters for the Club Manager. A complete kitchen will be in the basement.

"This represents the long-awaited development we've all been working and hoping for," said President J. CLIFFORD STARK. "The past months, during which plans were drawn

and redrawn, were far from wasted, because the result this week justifies our patience and efforts to cut costs. But now we can look forward to real, on-the-ground accomplishment in physical terms."

STARK also paid tribute to the months of effort contributed to the project by architect Sylvan Bien, who was forced to retire from the job due to pressure of other contractual work and his inability to devote supervisory time to overseeing construction. Bien, STARK said, was responsible for the initial difficult ground work without which the plans could have never progressed to this point.

Club officials who attended the Wednesday meeting and approved the Boehler blueprints were President STARK, Past President and Correspondents Fund President WILLIAM P. GRAY, Vice President A. WILFRED MAY and Secretary-Treasurer JOSEPH J. WURZEL. William Zeckendorf, Jr., and John Price Bell represented the Zeckendorf organization.

ALEXANDER CAMPBELL, Johannesburg bureau chief for Time and Life is the subject of Time publisher JAMES LINEN's weekly letter in the February 15 issue of Time -- quite an accolade.

APRIL 28 SET AS DATE ) Wednesday, April 28, was approved as the date for the Club's  
FOR ANNUAL MEETING; ) Annual Meeting and Elections at this week's regular monthly meet-  
NOW 945 MEMBERS IN OPC) ing of the Board of Governors. The Annual Meeting will take  
place at Toots Shor's restaurant at 8 PM. It is expected that a  
slate prepared by the Nominations Committee will be completed for publication in an early  
issue of The Bulletin.

Secretary-Treasurer JOSEPH J. WURZEL reported the Club's January financial picture stood as follows: \$3,214 income; \$2,018 outgo, with an excess of \$1,195. He also said that membership in the Overseas Press Club stood at the all-time high of 945, and that the figure could go over the thousand mark in only a few weeks. Admissions Chairman WAYNE RICHARDSON said his group was meeting this week to act on 20 applications, and that another 10 are being processed at Club Headquarters.

On recommendation from Awards Chairman JOHN BARKHAM, the Board agreed to have no candidate proposed this year for the \$500 George Polk Memorial Award. Since qualification for the Award requires "courage and enterprise above and beyond the call of duty", selection of a candidate for the past year of journalistic history proved incompatible.

The Board also approved a plan to bill newly-admitted Members on a pro-rata basis for the unexpired period of the current dues interval in which they are admitted, with no charge for the period of the month in which they are admitted.

Following an Executive Committee report on progress on the new building (see Page 1), the Board endorsed the Committee action to proceed with contractual agreements at once.

-----  
NEW BY-LAW CHANGES LISTED

...  
(The following information on changes in the OPC's By-Laws is being published prior to the announcement of the Nominations Committee slate, since additional candidates can be proposed only within 10 days after the Nominations Committee list is presented. This is in accordance with Article VIII.)

At a meeting of the Board of Governors held on January 21, 1954, the By-Laws of the Club were amended in certain respects:

A new Section I A was added, entitled, BOARD OF GOVERNORS, which reads as follows:

"SECTION ONE: The thirteen (13) members of the Board of Governors elected by the Active members of the Overseas Press Club, Inc., shall each serve for a period of two (2) years and shall thereafter continue in office until their successors are elected.

SECTION TWO: At each annual meeting occurring in odd years the Active members shall elect seven (7) governors to succeed the seven (7) governors whose terms expire at such meeting. At each annual meeting occurring in even years the Active Members shall elect six (6) governors to succeed the six (6) governors whose terms expire at such meeting.

SECTION THREE: Notwithstanding the foregoing provisions, the Active members shall elect at the annual meeting held in 1954 seven (7) governors to serve for a term of one (1) year to succeed seven (7) governors whose terms expire at such meeting and six (6) governors to serve for a term of two (2) years to succeed six (6) governors whose terms expire at such meeting."

The Board will continue to have thirteen (13) elected Governors who will now serve for two (2) years instead of one (1) year, seven (7) of which will be elected in odd years and six (6) of which will be elected in even years. Section Three makes the necessary adjustment in the first year of the change-over.

Article VIII has been amended so that the first four paragraphs now read as follows:

"SECTION ONE: Provided that a quorum of not less than thirty-five (35) Active members in good standing is present and eligible to vote, election and induction of Officers and Governors (deletion) shall take place at the Annual Meeting in April, or, if no quorum is present, the next general membership meeting at which the required quorum is present.

(Continued on Page 6)

At least eight weeks prior to the Annual Meeting, a Nominations Committee shall be appointed by the President, which Committee shall consist of a total of seven (7) members no more than three of whom shall be officers of the Club or members of the Board of Governors. Thereafter and not less than seven (7) weeks before the Annual Meeting, the Nominations Committee shall present a list of candidates for officers and a list of candidates for members of the Board of Governors to succeed the Governors whose terms expire at such meeting, which lists shall be published in the next succeeding issue of the Overseas Press Club weekly Bulletin. The candidates for officers and members of the Board of Governors must be Active members in good standing.

Additional nomination of candidates for office or the Board of Governors may be made by petition, and shall be postmarked within ten days of the mailing date of that issue of The Bulletin which contains the Nominations Committee list of candidates. Such petition may be initiated by any Active member in good standing and must bear also the signatures of not less than twenty (20) Active members in good standing, provided, however, that any nominee for office proposed by such petition must have given his consent to such nomination in writing to the (deletion) Secretary, prior to the mailing of the ballots, before he shall be considered a candidate. Thereafter, the (deletion) Secretary shall have printed a ballot bearing the names of all nominees and the offices for which they are nominated; and shall cause to be published in the weekly Bulletin not less than four (4) weeks before the Annual Meeting the complete lists of candidates for office and the Board of Governors.

Voting shall be by secret ballot at the Annual Meeting, provided, however, that any Active member in good standing (deletion) may vote by a mail ballot, sent to such member by airmail, if necessary, provided that a request for such ballot is received in the headquarters of the Overseas Press Club not less than two weeks before the Annual Meeting, and that a completed ballot is returned to the headquarters of the Overseas Press Club not less than two weeks before the Annual Meeting, and that a completed ballot is returned to the headquarters of the Overseas Press Club not less than twenty-four (24) hours before the convening of the Annual Meeting."

In the first paragraph the words "for the following year" have been deleted to make this paragraph conform with Article I A.

In the second paragraph the underscored words replace the following language:

"a list of candidates for officers and members of the Board of Governors of the Overseas Press Club, in good standing as members, which lists shall be published in the next succeeding issue of the Overseas Press Club weekly Bulletin."

This change has been made to conform this paragraph with Article I A.

In the third paragraph, the number of Active members necessary to initiate a petition for additional nominations for office or the Board of Governors is increased from five (5) Active members to twenty (20). There is no other change in this paragraph.

In the fourth paragraph the words, "not physically present in the area of Greater New York or its environs", have been deleted. As a result, Active members within or without the Greater New York area may vote by a mail ballot in accordance with this paragraph. The words "Executive Secretary" have been changed to "Secretary" so that all consents to nominations by petition must be delivered to him and the "Secretary" is required to have the ballots printed as provided in this paragraph.

There are no changes in the fifth, sixth, seventh and eighth paragraphs.

Article VIII has been further amended by the elimination of the ninth paragraph which reads as follows:

"Voting for the Board of Governors shall be by a single ballot bearing the names of all authorized candidates. Each member shall vote for not more than thirteen (13) nominees. The thirteen nominees receiving the highest number of

(Continued on Page 7

votes cast shall be declared elected, and the next succeeding four highest shall be declared alternates."

and the substitution in place thereof of the following two paragraphs:

"Voting for the Board of Governors shall be by a single ballot bearing the names of all authorized candidates. Each Active member shall vote in odd years for not more than seven (7) nominees and in even years for not more than six (6) nominees. The seven (7) nominees receiving the highest number of votes cast in odd years and the six (6) nominees receiving the highest number of votes cast in even years shall be declared elected. The four (4) nominees receiving the next highest number of votes shall be declared alternates. Such alternates shall until the next annual election fill any vacancies occurring in the Board of Governors. Alternates who fill vacancies in the Board of Governors shall serve until the expiration of the term of the Governors whose office such alternate filled.

Notwithstanding the foregoing provisions, each Active member shall at the Annual Meeting in 1954 vote for not more than thirteen (13) nominees. The six (6) nominees receiving the highest number of votes cast shall be declared elected for a two year term; the seven (7) nominees receiving the next highest number of votes cast shall be declared elected for a one year term; the four (4) nominees receiving the next highest number of votes cast shall be declared alternates. Such alternates shall until the next annual election fill any vacancies occurring in the Board of Governors. Alternates who fill vacancies in the Board of Governors shall serve until the expiration of the term of the Governor whose office such alternate filled."

These two paragraphs carry out the changes resulting from the addition of Article I A above. Note should be made that alternates will be elected each year and that any alternates who during the year fill a vacancy on the Board, will serve until the expiration of the term of the Governor whose office such alternate filled.

There were no further changes in Article VIII.
